which the canal is to be built and turn to Nicaragua.

No such intention can yet be discovered. The administration is still wedded to the Panama route. It does not yet seem to be willing to go so far as to invade Panama, as soon as Colombia acts adversely and with an armed force to protect the workmen that Prince Ching had obtained Russia's consent for President Roosevelt to use his good offices to settle The Manchurian dispute.

"I have not," replied Senator Cullom, "but in view of the fact that President Roosevelt has been one of the most interested parties to the dispute, I should think that if he were called in he could sattle it very quickly, and to the great advantage of the United States."
